HOLLY SPRINGS
University.
THE public generally, are respectfully inform-
ed that on account of the embarrassed state of
this Institution, since the close of the last
session, it has been disposed of, agreeable to
the grants of its charter, to the Methodist
Episcopal Denomination, and is now placed
under their management and control, under
the conviction that no literary institution,
unconnected, either with the State or some
christian body, can possibly succeed as well,
when sustained by civil or religious rela-
tionship.
In the transfer of the Institution into the
hands of another Board of Managers, the
general character and object of the Institu-
tion has not been altered or violated, since the
article of the Constitution, which "permits
no efforts to teach the peculiar tenets of any
political party or religious denomina-
tion" and which proposes, "that it shall be
adapted in all its parts to make thorough
and accomplished schools; that the course
of study be similar to those pursued in all
the Colleges and Universities of the highest
standing in our country, that it afford facili-
ties for acquiring a scientific and business
education, to those who do not wish to study
the learned languages; and that it tends to
cultivate a taste for literature and useful
knowledge, and to cherish the principles of
integrity, honor, patriotism and christian-
ity" still remains the same; thus guarding
against the improper influence of sectarian
dogmas, and carrying forward upon a more
permanent plan, the general object con-
templated in the organization of the Institu-
tion.
The object and intention of the present
Board is, to carry out fully, the design con-
templated in the original plan, as time and
circumstances may demand and means per-
mit. viz. The establishment of a Medical
and Law department, in addition to the pre-
paratory department, and the college proper;
and to spare no pains in the procuration of
highly accomplished and the most approved
Professor and Instructors, and all the neces-
sary apparatus required in the progress
of a highly finished education.
On account of limited time, the nature of
existing circumstances, and the nearness of
the approaching session, the Board have not
made no material change in the regulations
of the Institution, and as permanent arrange-
ments were made by the former Board, for
the present year, ending in October next,
with slight modifications, the general ar-
rangements for the ensuing session, will
be as heretofore.
In order to attend to necessary prelimi-
nary matters, it has been deemed expedient
to protract the present vacation two weeks be-
yond the stipulated time, so that the next ses-
sion will not begin until the THIRD MON-
DAY OF JUNE, at 10 o'clock, A. M.
at which time, the session will open, and the
exercises commence with a suitable address
by the President of the Faculty.
For the coming session, the Institution
will be under the management of the fol-
lowing Faculty, viz:
